SUBJECT: RENEWAL APPLICATION FOR DOT-E 12102

Dear Dr. McGuire:

DEPT. OF TRANSPORTATION
RECEIVED
02 SEP -9 PM 3:23

✓ Safety-Kleen (PPM), Inc. ("Safety-Kleen") is submitting an application to renewal party status to DOT-E 12102. This exemption authorizes the transportation of certain unapproved Class 1 explosive materials desensitized by wetting with water, alcohol, or other suitable diluent so as to eliminate their explosive properties.

Safety-Kleen certifies that the descriptions, technical information, and safety assessment submitted in the original application has remained accurate and correct. To the best of our knowledge, there have been no spill incidents involving this exemption since its last renewal.

The contact information for Safety-Kleen is shown below.

Please feel free to give me a call at (803) 933-4671 or send me an email at jdavis@safety-kleen.com should you have any questions or need additional information.

Sincerely,

Jerry D. Davis
Director, Transportation Compliance
